C/ Agrupación Olaz nº 16, Bajo in david-alvarez-rosa

Olaz, Navarre **W** October 10, 1998

EDUCATION

Degree in Mathematics

240 ECTS

Polytechnic University of Catalonia - FME

September 2016 - Present

Barcelona, Catalonia

• Relevant subjects: Linear Algebra, Calculus, Mathematical Programming, Algorithmics, Abstract Algebra, Geometry, Analysis, Differential Equations, Probability and Statistics.

A rigorous and proof-oriented course with a robust mathematical base. providing a solid knowledge in its applications (algorithms, computing).

Degree in Industrial Technology Engineering Polytechnic University of Catalonia - ETSEIB

240 ECTS

September 2016 - Present

Parcelona, Catalonia

• Relevant subjects: Mechanics, Thermodynamics, Electromagnetism, Electrotechnics. Fluid Mechanics. Materials and Electronics.

Multidisciplinary and integrative vision of industrial engineering. Acquired knowledge and skills essential for future technological development.

Scientific and Technological Baccalaureate Irabia-Izaga school

2 years

♥ Burlada, Navarre

• Final grade: 9.47/10.

• University access exam grade (Selectividad): 12.76/14.

Compulsory Secondary Education

4 years

Irabia-Izaga school

September 2010 - June 2014

♥ Burlada, Navarre

COURSES

Game theory

20 hours

Polytechnic University of Catalonia - CFIS

P Barcelona, Catalonia

Game theory is the study of mathematical models of strategic interaction among rational decision-makers. It has applications in fields such as economics, logic and computer science.

Introduction to Machine Learning & Deep Learning 20 hours Polytechnic University of Catalonia - CFIS

聞 January 2019

Barcelona, Catalonia

- Basic principles of machine learning and classical methods.
- Introduction to deep learning from both an algorithmic and computational point of view.
- Study of its applications to reinforced learning and the analysis of multimedia content.

INSPIRATION

99

"The science of today is the technology of tomorrow."

SKILLS

Accustomed to working in a team, motivated and detailed in projects.

Programming languages.

Solid knowledge of:

Python Octave/Matlab

Notions of:

AMPL

Bash R

Experience in web development:

HTML

CSS

JavaScript PHP

ROS

Others:

Linux

Git

LANGUAGES

Spanish

Mother tongue.

English

C1 level accreditation (August 2017).

Catalan

Very good understanding of the language. Intermediate level in oral and written expression.

AWARDS

Spanish Physics Olympiad

♀ Seville, Andalusia

Silver medal in the national phase.

Spanish Physics Olympiad

Pamplona, Navarre

Winner of the local phase.

Spanish Mathematical Olympiad

🛗 January 2016

Pamplona, Navarre

Second position in the local phase.

PROJECTS

20 hours/week

Driverless - Motorsport

Polytechnic University of Catalonia - ETSEIB

I'm part of the **Perception** section of Driverless UPC team, which is a team formed by undergraduate engineers in charge of the designing, manufacturing and testing of a fully autonomous car that will participate in national and international competitions between universities.

Robotic Arm - Tic Tac Toe³

75 hours

Polytechnic University of Catalonia - ETSEIB

Creation of virtual animation of a robotic arm able to play the Tic Tac Toe game and **never lose**. The source code of this project can be found in my personal Gitlab page⁴.

Email server

15 hours

Personal project

August 2018 - September 2018

- Configuration of a modern, secure personal email server based on free software (Postfix and Dovecot).
- Supports opportunistic TLS and IMAP access.

Study Schedule⁵

60 hours

Polytechnic University of Catalonia - ETSEIB

January 2018 - June 2018

Creation of a customized study schedule generator adapted to students, through data analysis: clustering/k-nearest-neighbours. In particular, based on past grades, desired performance and schedule restrictions we were able to create the best study schedule possible to maximize user performance.

INTERESTS

THERS

Former violinist

2008 - 2015

Pamplona, Navarre

I played the violin in the conservatory in its first courses.

Tutor

Academic classes of support and preparation for the Mathematical Olympiad.

Linux user

Years of use of Linux distributions (Arch, Debian and Ubuntu).

System administrator

Administrator of a personal Virtual Private Server: data synchronization between devices, website², email, personal Git server.

Athlete

Regular sportsman, runner and extriathlete.

Driving license

October 2017 Pamplona, Navarre Spanish driving license (B).
